

Drakia Studios Graphic Design Services

Introduction

Drakia Studios is a small graphic design business, located in Kingston, ON, that was first established in 2008. The founder, Ena Drakich, studied at the three-year graphic design program at St. Lawrence College and began the business after graduation. Starting off as a contract service for small companies in Kingston, Drakia Studios has been evolving from simple corporate designs to more elaborate website designs. Drakia Studios will cover basic graphic design related services for reasonable prices. Most of the clients of Drakia Studios are small businesses located in Kingston, Ontario and the surrounding area.

Services

Corporate Design

This service includes the design of logos, business cards, flyers and brochures. Printed forms of advertising with a recognizable logo would benefit small businesses in communicating their services.

Right (top to bottom): A business card design for Guerrero Exteriors Roofing & Landscaping, a business card design for Drakia Studios.

Photography And Video

Photography services range from portrait, merchandise to location pictures, including photo editing. Video services include filming and video editing.
